Krishi Vigyan Kendra, Ramgarh

Annual Training programme (April 2021 to March 2022)

(a) Farmers and farmwomen. Duration of training: 2 days

Thematic	8	No.	Date	Venue	No. of Participants									
area		Trg		On/Off	SC ST		Т	er		ſ	ot	al		
					Μ	F	N	F	Μ	F	Μ	F	Τ	
Vegetable Crop production	Nursery raising techniques of vegetables	1	15 May, 2021	On									2 5	
Vegetable Crop production	Production of low volume and high value vegetable crops	1	22 May, 2021	Off									2 5	
Vegetable Crop production	Scientific techniques of off-season vegetables cultivation	1	04 June, 2021	Off									2 5	
Vegetable Crop production	Integrated nutrient management in vegetables	1	10 June, 2021	On									2 5	
Vegetable Crop production	Protective cultivation (Green Houses, Shade Net etc.) of vegetables	1	19 June, 2021	Off									2 5	
Vegetable Crop production	Advanced techniques of solanaceous vegetables cultivation	1	26 June, 2021	Off									2 5	
Production technologies	Suitable production technology of oilseed and pulse crop	2	26-27 June, 2021	On									5 0	
Entrepreneuri al development of farmers	Importance of cluster based cultivation for marketing	2	29-30 June 2021	On									5 0	
Integrated farming system	IFS models for increasing the farm income	2	05, 06 July 2021	On									5 0	
Crop Diversificatio n	Fallow land area cultivation in rabi season	2	23,24, July 2021	ON campus									5 0	

Gender mainstreamin g through SHGs	Selection of technology for farm woman	2	26-27 July, 2021	On off									5 0
Fruit production and management	Training and Pruning methods in mango	1	05 Aug, 2021	Off									2 5
Fruit production and management	Training and Pruning methods in guava	1	12 Aug, 2021	On									2 5
Farming and management of groups	How to Create linkage of farmers and producer group	2	12-12 Aug, 2021	Off									5 0
Crop production	Stem borer and FAW management in maize and paddy	1	12-13Aug, 2021	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Animal Husbandry	Management of duckry, poultry and goatry for IFS model	1	24-25 Aug, 2021	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
ICT	How to use the mobile app developed by ICAR	2	26-27 Aug, 2021	On									5 0
Weed Management	Use of weedicides for weed management in kharif cereal/ Pulse crops	1	26-27 August 2021	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Secondary agriculture/Bu tton mushroom cultivation	Button mushroom cultivation by SHG and rural youth	1	2-3 Sep 2021	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Grading and standardizatio n	How to avoid post harvest loss from field to market	2	10-11, Sept, 2021	On									5 0
Integrated Nutrient Management	Use of waste decomposer for vegetables and crops	2	15-16 Sept, 2021	On									5 0
Production technology	Cultivation of cucurbits vegetable under rice fallow condition	2	15-16 Sep 2021	On Campus	5	5	5	5	1 5	1 5	2 5	2 5	5 0
IDPM	Identification & Management of leaf miner and fruit fly pest in Rabi &Summer vegetables	2	22-23 Sep 2021	Off Campus	5	5	5	5	1 5	1 5	2 5	2 5	5 0

Bio Pesticide	Prepared of <i>Trichodermaviridi</i> based compost for control of wilt disease in vegetables	1	29-30 Sep 2021	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Organic farming	Production of compost and marketing	2	07-08 Oct, 2021	On campus									5 0
Animal Husbandry	Importance of Animal husbandry and green fodder cultivationfor additional income	1	25-26 Oct 21	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Weed Management	Uses of weedicides for weed management in Rabivegetables	1	28-29 Oct 21	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Animal Husbandry	Employment generation through goatary farming	1	1-2 Nov 2021	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Fruit production and management	Layout and Management of Orchards	1	11 Nov, 2021	On									2 5
Fruit production and management	Advanced techniques of papaya cultivation	1	20 Nov, 2021	Off									2 5
Storage management	Storage pest management method in cereals and pulses	1	15-16 Nov 21	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
IPM	IPM method for Rabi season vegetables	1	29-30 Nov 21	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Leadership development	Capacity building of SHG for community nursery of vegetables seedlings	1	30 Nov to 1 Dec 21	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Crop production	Organic farming through cluster approach	1	3-4 Jan 22	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Crop production	Doubling farmers income through high value crop cultivation and marketing	1	2-3 Dec 21	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Crop production	Collection of soil sample and details about soil health cards	1	1-2 Feb 22	On Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5

Integrated crop management	Suitable cropping pattern for use of farm resources	2	04, 05 Feb 2022	On Campus									5 0
Crop residue management	Soil fertility management by composting of crop residue	1	7-8 Feb 22	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Resource conservation technology	Strategy and planning for contingent cropping	1	14-15 Feb 22	Off Campus	5	-	-	-	1 0	1 0	1 5	1 0	2 5
Weed management	Weed management in DSR paddy and other Kharif season crops	2	09, 10 March 2022	Off / On									5 0
