Bulk SMS Proposal

We would like to introduce our company "Omega Telesolutions" as one of India's oldest bulk messaging platform. We are backbone of messaging applications used by several leading messaging service providers . We specialize in bulk messaging technology.

After understanding the market needs and after thorough testing, we have recently launched our operations in the field of messaging - offering high quality messaging services.

Our messaging platform is a result of years of experience and research of Indian messaging market. We have developed a web application that is feature rich, but still very much cost effective.
