

KVK Dimapur conducted Potato Seed Distribution cum Training programme under ICAR-IARI, New Delhi NEH Component

Ten tonnes of potato seeds (Kufri Jyoti) were distributed to various Self-Help Groups, progressive farmers, and farmers' societies of three districts – Chumukedima, Niuland and Dimapur on 02.11.2023 during a programme held at KVK Dimapur Conference Hall. The potato seeds were distributed under the ICAR-IARI, New Delhi NEH Component by KVK Dimapur, ICAR, Nagaland Centre. Dr.Homeswar Kalita, Head of Regional Centre, ICAR, Nagaland encouraged the farmers to sincerely cultivate the potato with recommended package of practices. Mr.Kevin Solo, the SDAO of Chumukedima district apprised the farmers of the various schemes of the department and said that assistance could be provided to genuine and sincere farmers after careful examination of the submitted applications. Shri.T.Honito Sema, BJP Mondal President, 5 Ghaspani-2 lauded the efforts of KVK Dimapur and ICAR, Nagaland Centre for the upliftment of the farming community and further shared that both the departments and farmers need to truthfully work for the benefit of all. In the technical session, Dr.Roben Singh discussed about the cultivation practices to be adopted in potato. Earlier the programme was chaired by Dr.Bendangla Imsong and vote of thanks proposed by Dr.Moanaro. The programme was attended by KVK, ATMA officials and 70 progressive farmers.
