

## **Backyard Poultry Enterprise**

For developing entrepreneurship, 10 nos. of youth were trained with appropriate knowledge and skills related to Establishment of Small Nursery. 2 nursery unit comprising of 10 of youth established the enterprise in the year 2019-20. The nurseries were established for production of quality planting material of fruits and in addition flowering plants. From each nursery unit 50000 nos. of planting materials were produced value worth of Rs. 750000.00 annually. Thus, a youth earned Rs.150,000 annually. By seeing the profitability of nursery raising the youth are highly motivated to further expand it. During the year 2020-21 they have also included production of planting material of flowering and ornamental plants. The products are marketed within the district in the local markets as well as in the state capital market Agartala.
