

Scientific Livestock Management for Sustainable Production

ICAR-Krishi Vigyan Kendra (KVK), Phek, (ICAR-NRC on Mithun, Medziphema), under ICAR-ATARI Zone VII, Umiam has organized one day training programme on “Scientific Livestock Management for Sustainable Production” on March 5th 2025 at Chizami village for the farmers of Chizami, Sumi and Enhulumi Villages. During training programme, various sessions on livestock and agriculture were covered. Dr. T Esther Longkumer, CTO- Soil Science, gave an insight on livestock waste management through composting, followed by the session of Dr. Hannah K Asangla, CTO Agronomy about the importance of crop diversification for sustainable agriculture. In the second technical session, Dr. Harini K R, SMS-Animal Science highlighted on the scientific pig farming and Dr. Ragulraj, STO, NRC on Mithun, Porba centre delivered a lecture on backyard poultry farming. The programme concluded with a farmers-scientist interaction.
