

1. Publications

Year : - 2008 – 09	
Item	Title
Research Papers	<ol style="list-style-type: none">1. Soil Fertility improvement through use of organic manures and fertilizers in North Eastern Hill Region (2009)2. Expansion of Groundnut Cultivation in Rain fed Farming System of NEHR
Technical Reports	<ol style="list-style-type: none">1. Resource Support System in South Tripura2. Perspective Plan Vision 2020 of KVK South Tripura
Leaflets / Folders	<ol style="list-style-type: none">1. Mesta Cultivation in Tilla Land of Tripura (Bengali)2. Bird Flu (Avian Influenza)3. Scientific Way of Duck Rearing (Vigyan Sanmata Prathay Sukur Palan)4. In Fish culture what to do? When to do?5. Composite culture of fresh water Prawn and caps6. Importance of soil and water in fish culture7. Technology for fish production in Tripura8. Fish health management and diseases control
CD	Employment Generation Through Production of Amrapali Mango Planting Materials by Rural Youth in South Tripura
Year : - 2009 – 10	
Leaflets / Folders	<ol style="list-style-type: none">1. Income maximisation and Soil Improvement through groundnut cultivation in upland areas of South Tripura2. Arhar Cultivation a cheapest source of protein3. Moong cultivation a good source of protein and nitrogen4. Vermicomposting
Popular articles	<ol style="list-style-type: none">1. Mushroom Cultivation in Homestead Farming2. How to integrate livestock and fisheries3. Rural poultry farming
Year : - 2010 – 11	
Research Paper	<ol style="list-style-type: none">1. Knowledge Management for Improvement of Pulses and Oilseed Crop Cultivation in South Tripura a case study2. Resource Conservation and Agriculture and its uses in NEH Region
Technical Reports	<ol style="list-style-type: none">1. CDAP of South Tripura (draft)2. Training Manuals on “Crop Diversification and Rain Water Management in Medium and Lowland Situation”3. Resource Support System in Agriculture & Allied Sectors District: South Tripura
Popular Articles	Pulses Cultivation in Tripura Constraints and Solution
Extension Literature	<ol style="list-style-type: none">1. Groundnut Cultivation (in Bengali)2. Arhar Cultivation (in Bengali)3. Moong Cultivation (in Bengali)
Year : - 2011 – 12	

Research Papers	Boosting Pulses Productivity Through Front Line Demonstration to Improve the Nutritional Security of the Farmers of South Tripura
Review Paper	Effect of weather on the Effectiveness of Bio-pesticides and Chemical pesticides in vegetable insect pests management.
Technical Reports	<ol style="list-style-type: none"> 1. Integrated Fish Farming: A Case study of South Tripura 2. Integrated Water Management for crop Diversification in Tripura
Leaflets / folders	Integrated Fish Farming (Backyard Pond Aquaculture and Pig-cum-fish farming)

Year : - 2012 – 13

Research Paper	<ol style="list-style-type: none"> 1. Rice Productivity as Influenced by Stand Establishment Methods under Different Fertilizer Levels (Communicated) 2. Efficient Use of Residual Soil Moisture and Plant Nutrients for Improving Cropping Intensity in Lowland Rice-Fallow
Technical Reports	<ol style="list-style-type: none"> 1. Management of Soil Health and Fertility : Experience of On-Farm Demonstration in Tripura 2. Homestead Farming System – Small Farm, Big Return 3. Technological Intervention by KVK for Sustainable Agriculture Development in South Tripura during 11th Five Year Plan (2007-2012)
Popular Articles	Rakamari Sak Sammendhe Kichu Katha in Souvenir Published by Horticulture Society of Tripura
Leaflets / Folders	Scientific Cultivation Practices of Maize (Both in English and Bengali)
News Paper Coverage	<ol style="list-style-type: none"> 1. Chasbash O Krishi Vigyan Kendra in Bengali Daily Newspaper “Dainik Sambad” 16/05/2012 2. Pukhure jal udbhit o aagasha niyantran, Dainik Sambad, 13/06/2012

Year : - 2013 – 14

Research Papers	<ol style="list-style-type: none"> 1. Efficient use of Soil Moisture and Nutrients in Rice based Cropping systems under Mid-Tropical Plain Zone of India, Rice Science, Elsevier BV Publication. 2. Morphological variability in selected lines of Jackfruit under diverse agro-ecosystem of Tripura,
Extension bulletins	<ol style="list-style-type: none"> 1. Lentil-a promising crop for rice fallow area, Extension Bulletin No.- 15, KVK Publication, South Tripura. 2. Nutrition Gardening-For better health of Smallholders, Extension Bulletin No.- 14, KVK Publication, South Tripura. 3. Grampriya – A profitable rural poultry for Tripura, Extension Bulletin No.- 13, KVK Publication, South Tripura.
Newsletter	Newsletter Vol-V, No. I & II
Newspaper Article	<ol style="list-style-type: none"> 1. Need For Protection of Farmers Crop Variety of Tripura, Tripura Times 29/03/2014.

	2. Innovation in intercropping system Potato/Pumpkin in rice fallow area of South Tripura, Tripura Times 26/03/2014.
Year : - 2014 – 15	
Research Papers	<ol style="list-style-type: none"> 1. Efficient use of Soil Moisture and Nutrients in Rice based Cropping Systems under Mid-Tropical Plain Zone of India (2014). 2. Quality Assessment of Groundwater for Drinking and Irrigation Use in Semi-Urban Area of Tripura, India (2015). 3. Morphological Descriptors of Jackfruit Across Diverse Agro-Ecosystem of North Eastern States of Tripura.
Technical Report	Homestead Farming System : Small Farm, Big Return
Book	Fundamentals of Organic Farming.
Popular Articles	Pig farming through improved breeds in Tripura (Tripura Times 10/07/2014)
Extension Bulletin	<ol style="list-style-type: none"> 1. Mustard and Toria- A profitable Crop of Rabi Season in Rice fallow Area, Extension Bulletin No.- 16, KVK Publication, South Tripura. 2. Protection of Plant Varieties and Farmer's Right, Extension Bulletin No.- 17, KVK Publication, South Tripura. 3. Homestead Farming System – Ensuring Livelihood Security of Small & Marginal Farmers, Extension Bulletin No.- 18, KVK Publication, South Tripura.
Newsletter	Newsletter Vol – VI, No. I & II
Conference / Workshop proceedings	Morphological variability in selected lines of Jackfruit under diverse agro-ecosystem of Tripura, International Symposium on Jackfruit and breadfruit in the topics: Genetic diversity, Marketing, Value Addition and Marketing Strategies.
Leaflets / Folders	Mustard and Toria – a profitable crop of rabi season in rice fallow area.
Any Other	<ol style="list-style-type: none"> 1. Krishi Vigyan Kendra, South Tripura. A new generation Farmer's Institute (KVK Profile) 2. Book Chapter on "Resource Conservation in Agriculture and its Practices in NEH Region". In book: North-East Biodiversity and Sustainable Economic Development Issues and Challenges.
Year : - 2015 – 16	
Book	Bringing Prosperity to Potato Growers Through True potato seed (TPS) cultivation: Exhilarating Success of KVK Intervention in Tripura State. ICAR Agricultural Technology Application Research Institute, Zone III, Umiam Meghalaya, India
Leaflets / Folders	"Mati Pariksha O Swastha Card" in Bengali
Year : - 2016 – 17	
Research Paper	<ol style="list-style-type: none"> 1. Performance of rice variety gomati in front line demonstration under rainfed condition of South Tripura districts, International Journal of Agriculture Sciences (Published).

	<ol style="list-style-type: none"> 2. Management of weeds to enhance the production of direct seeds upland rice under Tripura condition, Ecology, Environment and Conservation (Accepted). 3. Residual effect of Almix herbicide applied to direct seeded upland rice on succeeding toria under Tripura condition. 4. Management of Ginger Soft Rot (<i>Pythium aphanidermatum</i>) in Organic Cultivation of Ginger in Tripura, India, Biopestic. Int. 12(1): 1-7 (2016). 5. Incidence and population builds up of <i>P. lotus</i> infesting <i>Capsicum chinense</i> jacq. In relation to weather factors. 6. Influence of weather factors on insect and mite pests infesting French bean (<i>Phaseolus vulgaris</i> L.). Intl.J.Plant protection, 10(1):156-166 (2017).
Training Manuals	Scientific Mushroom Cultivation (Under Pipeline)
Popular Articles	<ol style="list-style-type: none"> 1. Medicinal properties of cultivable Mushroom, Tripura Observer, 19/02/2017 2. Vermicomposting Technique and it's role in Organic Agriculture, Tripura Times, 05/07/2016 3. Bee Keeping as a component of Integrated Farming System, Tripura Times, 23/06/2016
Leaflets / Folders	<ol style="list-style-type: none"> 1. Mou Machi Palan (Bengali) 2. Mushroom Chhas (Bengali) 3. Pests and Disease Management in Honey bees (English) 4. Off Season Cucumber cultivation under low cost Poly House (English) 5. Vermicomposting (Bengali) 6. Boigyanik Bhitit Sukar Palan O Parichyya. 7. Zoonoses: Disease from animal to Human.
Any other	Baigyanik Padhatite Sukar Palan and Paricharya
Year : - 2017 – 18	
Research Papers	<ol style="list-style-type: none"> 1. Research Article on “Smallholder Pg Farming for Rural Livelihoods and Food Security in North East India”, Journal of Animal Research: Vol.7, No.3, pp. 1-10. 2. Research Articles on “Traditional Feeding System for Pigs in Northeast India”, International Journal of Livestock Research, Vol. 7, No.8, pp.122-132.
Technical Report	KVK, Annual Report, 2017-18
Year : - 2018 – 19	
Research Papers	<ol style="list-style-type: none"> 1. Integrated vertical farming system, an innovative way of efficient utilization of small-land and farm resources in urban areas, Indian Farming 68(06): pp23-24; June 2018 2. ‘Economics of fish farming in Tripura’, Indian Journal of Hill farming, Special issue, 2018, pp 87-91.
Training Manuals	Pond fish farming
Technical Report	Project activities of KVK, South Tripura
Book / Book Chapter	<ol style="list-style-type: none"> 1. Farmer’s Success Story, KVK, South Tripura 2. Preparation Techniques of Bio-pesticides

Paper presented in Seminar	<ol style="list-style-type: none"> 1. Effectiveness of extension services for dissemination of climate smart integrated fish farming in Tripura In: Compendium 9th NEEC-2018 at Sikkim, Nov. 15-17, 2018 2. Fishery based integrated farming system for income generation – a comparative economic assessment of different modules in Tripura In: Souvenir and abstracts, ISEE National Seminar at WBUAFS, W. Bengal, December 5-7, 2018. 3. An Analysis on Status of Fish Production from Pond Water Resources Across Different Districts in Tripura, In: Abstracts of 31st AICS and National Seminar by NESFA (I) & ZSI at College of Fisheries, Tripura, January 15-16, 2019. 4. Profitability of Integrated farming system modules for small and medium farmers of South Tripura, In: Souvenir and abstracts, ISEE National Seminar at WBUAFS, W. Bengal, December 5-7, 2018. 5. Women's Participation in Fish Farming – A Comparative Analysis across Different Agriculture and Allied Sector in South Tripura, In: Abstracts of 31st AICS and National Seminar by NESFA (I) & ZSI at CoF, Tripura, January 15-16, 2019.
Year : - 2020	
Research Papers	<ol style="list-style-type: none"> 1. Integrated Fish Farming Modules for Income Enhancement in South Tripura: A Comparative Assessment of Profitability India Journal of Extension Education, 56(1): 228-232. 2. Impact of technology intervention on fish productivity of fish farming in South Tripura, Journal of Krishi Vigyan Kendra, Special Issue (pp 192-195) 3. Study on Present Status and Future Prospects of Fisheries Development in South Tripura: Strategic Options. Journal of Krishi Vigyan, Special Issue (pp 190-195) 4. Secondary Extension Activities for Fisheries Technology Dissemination by Krishi Vigyan Kendra, South Tripura: An Exploratory Study on Performance. Research Biotica, 2(3):121-125 5. Effects of integrated farming system and rainwater harvesting on livelihood improvement in North-Eastern region of India compared to traditional shifting cultivation: evidence from an action research, Agroforestry Systems, 94, 451-464. 6. Development of an indicator based composite measure to assess livelihood sustainability of shifting cultivation dependent ethnic minorities in the disadvantageous North-eastern region of India, Ecological Indicators, Vol 110
Book / Book Chapter	<ol style="list-style-type: none"> 1. Fisheries resources and production vis-à-vis consumption in North East India, In: Fisheries and

	<p>Aquaculture in NE India: R& D trends and opportunities.</p> <p>2. Fisheries for prosperity in North East India under changing scenario. In book: Prospect of North East Agriculture in Post Covid 19 Scenario Publisher: ATARI Zone VII pp 105-121</p>
Technical bulletins	New Farm Act, 2020 in Bengali
Extension bulletins	Advisories (Advisories for farm women to prevent infection of any communicable disease)
Conference / workshop proceedings	Fish retail price behaviour in rural fish markets of Tripura: an explanatory study, National Conference on Advances on sustainable agriculture (virtual) 26-28 Sept.,2020
Year : - 2021	
Research Papers	<p>1. Comparison of Indigenous and Mechanical Conservation Technologies for Shifting Cultivation Agro-Ecology of North-Eastern Himalaya.</p> <p>2. Empowering rural tribal youth through the pursuance of agripreneurship – evidence from a case study of North-East India.</p>
Popular articles	<p>1. Efficient Water Resource Management for Sustaining Agricultural Production System of North Eastern Region, India.</p> <p>2. Innovative cultivation practice of pineapple by using mulching technology in Bengali (ICAR-NEH-TR-TF-2021-40)</p>
Technical bulletins	Low soct cage culture technology for sustainable fish production in Tripura, NE India, Technical bulletin, published by: ICAR RC NEH Region, Tripura Centre.
Extension bulletins	Pond as a component of fish farming-its soil and water in Bengali.
Conference / workshop proceedings	Policy implication to break poverty trap through investment in aquaculture activities, education and markets: An evidence from Tripura', Seminar Proceedings on Agri-business potential of North Eastern Region with special reference to Tripura, ISAM, CoF (CAU) and NESFA.
