

OFT 2022

Discipline	Crop / Enterprise	Assessed
Agronomy	Groundnut	Varietal performance of groundnut var. CAU GS-1 with improved agronomic practices during <i>kharif</i> season
	Field pea	Varietal performance of field pea var. IPF 4-9 with improved agronomic practices during <i>rabi</i> season
Horticulture	Broccoli	Broccoli intercropped with spices-Fenugreek & Coriander
	Onion	Varietal performance of Onion var. ArkaBheem, ArkaKalyan & Nasik Red N53
Fishery	Pond management	Growth performance of Amur common Carp (<i>c.carpio</i>) fingerlings treated with organic manure
PP	Brinjal	Control of shoot & fruit borer through use of tobacco (<i>Nicotine tobaccum</i>) in brinjal.
Home Sc.	Jack fruit	Value addition of jackfruit
Animal Sc.	Retention of placenta in cows	Treatment with sugarcane leaves for expulsion of placenta
Soil Sc.	Rice-Mustard	Phosphorous management in Rice-Mustard sequence

OFT 2023

Agronomy	Rice-rapeseed	No tillage of rapeseed in rice fallow under rainfed condition of Bishnupur District
	Finger millet	Varietal performance of finger millet var. VL- Mandua 379 with improved agronomic practices during <i>kharif</i> season
Horticulture	Garden Pea	Varietal performance
Fishery	Pond management	Growth performance of Rohu Carp (<i>l.rohita</i>) fingerlings under periphyton based fish farming
Home Sc.	Jack fruit	Value addition of jackfruit
	Millet	Assessment of multi grain millets cookies
PP	Chilli	IPM in Chilli
	Onion	Management of purple blotch in onion
Soil Sc.	Rice and mustard	Phosphorous management in Rice-Mustard sequence
	Rice	Assessment of Nano urea application in rice cultivation
Animal Sc.	Cow	Treatment with sugarcane leave for expulsion of placenta in cows

OFT 2024

Agronomy	Rice-lentil	Performance of lentil in lowland rice fallow under no till condition of Bishnupur district
	Finger millet	Varietal performance of finger millet var. VL- Mandua 379 with improved agronomic practices during <i>kharif</i> season
Horticulture	Garden Pea	Varietal performance of Garden pea var. Kashi Ageti
	Yard long bean	Varietal performance of Yard long bean var. Arka Mangala
Fishery	Pond management	1

Home Sc.	Pineapple	Extraction of pineapple fiber
	Millet	Assessment of multi grain millets cookies
PP	Chilli	IPM in Chilli
Soil Sc.	Rice	Assessment of Nano urea application in rice cultivation
	Tomato	Assessment of micronutrient management in tomato

FLD 2022

Discipline	Crop / Enterprise	Number of technology/ Social Concept Demonstrated
Agronomy	Rice	Quality seed production of <i>kharif</i> rice.
Horticulture	Palak	Integrated crop management of Palak.
	French bean	Integrated crop management of French bean.
Fishery	Silver barb	Demonstration of silver barb (<i>puntius gonionotus</i>) breeding using commercial fish hormone.
PP	Tomato	Management of late blight in tomato.
	Rapeseed-Mustard	Organic management of insect pests in mustard.
Agril. Extn	Rice var. RC Maniphou-13	Participatory seed production.
Home Sc	Protective clothing	Popularization of protective clothing.
Animal Sc	Magotic wound management in animals	Management using extract of <i>Ficus hisbida</i> leaves.
	White Pekin	Production Performance of White Pekin Ducks with Readymade Feed Mixed with Locally Available Feeds at 1:1

FLD 2023

Agronomy	Soybean	Popularization of soyabean var. DSb-19
	Rice	Popularization of pre-kharif rice RC Maniphou 12
Horticulture	Broccoli	Broccoli intercropped with Coriander
	Onion	Popularization of Onion var. Arka Kalyan
Fishery	Pond Management	Carp polyculture with <i>Bangana dero</i> stocking @ 40,000 /ha for 7 months.
Home Sc	Protective clothing	Popularization of protective clothing.
PP	Pea	Integrated pest and disease management in pea.
	Maize	Management of fall armyworm in maize.
Soil Sc.	Vermicompost	Popularization of Low cost Vermicomposting technology
	Compost	Popularization of Enriched compost (Made from locally available biomass)
Animal Sc.		Magotic wound management in animals using extract of <i>Ficus hisbida</i> leaves

FLD 2024

Agronomy	Blackgram	Popularization of blackgram var. PU-31 with improved agronomic practices
Horticulture	Broccoli	Popularization of Broccoli cultivation intercropped with Coriander
	Onion	Popularization on Scientific cultivation of Onion var. Arka Kalyan

Fishery	Pond Management	Production technology of Stunted fish fingerlings. Stocking of IMC Fish fry at high stocking density @2,50,000 fry /ha for 10 months with natural feed
Home Sc.	Jackfruit	Popularisation of jackfruit chip
PP	Maize	Management of fall armyworm in maize.
Soil Sc.	Vermi compost	Popularization of Low cost Vermicomposting technology
	Compost	Popularization of Enriched compost (Made from locally available biomass)
