

NATURAL FARMING CHU ENG NGE NI?

Natural farming (damdawi tel lova lo neih dan) chu khuarêl tidanglam lova thlai hrisel thar chhuah leh a chîna leilung damdawi tel lova tih hrisel a ni.

“Do nothing Farming” – Engmah ti/thawk lova lo neih ti te in an sawi thin.

A chhân chu:

- Lei kan let lo.
- Lei chi leh damdawi/hlo dang hman a ni lo.

Hei hian damdawi pawlh lova kan leilung a nihna ang taka a awmdan hnaih thei ang bera lo neih dan a entûr a ni.

Anih chuan eng te nge kan tih tur?

1. Lei leh loh:

Lei leh anihloh hian lei hnâwnna a pung a, changpât a punphah thin, changpât te hi lei ti thâwla ti thatu

an ni a, ‘lo neitu te thian’ an ti hial thin. Thlai chi theh hnu in buhpâwl a khuh a ni a, khur ah pawh chîn theih a ni.

2. Thlai rih vur:

Buhpâwl/hnîmhnaah ro a thlai/theikung bul vur hian hnawng a ti tam a, tui pek a hen thei. Thlai peng darh awlsam chi- behlâwi, bekang te hian leia Nitrogen, thlâi tana tangkâi êm êm an pechhuak thei a, chin tel ngêi ngêi aṭha. Thlai bul rihvur bâkah hnim dip turin thlai chin tam tur a ni, thlawh nasat a ngai lovang.

3. Beejamruth (thlai chi chiahna) siam dan:

Bâwngzun, Bâwngêk, Chinai leh Lei hum khat uluk taka chawhpawlh tur a ni a, hei hi darkar 24 up tur a ni.

- He mi tuia thlai chi kan chiah hian thlai ṭiak tur te natna hrâng hrâng lakah a veng thei. Thlâi thantîrtu IAA (Indole 3 Acetic Acid) leh GA (Giberellic acid) a siam bawk.

4. Jeevamuth (lei thatna) siam dan:

- Bâwngêk kg 10, bâwngzun litre 5 kha tui litre 200 ah chawh sawm phawt tur.
- Kurtai tui kg 1, chana dip kg 1, leh lei hum khat chawhpawlh tur a ni a, litre 200 kan siamsa ah khan pawlh leh tur a ni
- Thlai mamawh chaw ṭha vitamin leh nutrients a ti pung
- Lei ah ni 14 danah leih/ theh thin tur a ni.
- Hun rei tak hman hnuah chuan leilung a ti nung in a hrisel phah êm êm a ni.

Natural Farming thatna te:

- Lo neituten thlâi enkawlâna atân pawisa sên angaihloh avangin, engmah sêng lova thlai tharna a ni.
- Damdawi nena thlai chinna atana tui mamawh zât zâa sawm (10%) chauh tui hman anga chhut a ni.

- Bawng pakhat atang hian êk kg 10 atanga 12 a chhuak a, thla tin leilet tîn 3 hmun atân a tawk thei a ni.
- Natural Farming zawmna leilet ah zawm veloh na leilet aiin thlâi thar chhuah atam zawk tih fînfiâh tawh a ni.
- Damdawi/hlo tur lei angailo.
- Natural Farming zawmna leilet/lo te hian a zawm veloh na leilet aî hian khawkheng leh tuilian a dawl zo zawk.
